### BIO:

**Date of Birth.**  
08 January 1993

**POLOKO LETEKA** started his architectural studies at Lerotholi Polytechnic where he graduated as the best performing student in 2016. He then pursued his studies at The University of Cape Town and obtained his Bachelor of Architectural Studies in 2019, together with an award for best project in structure and design.

His interests lie in exploring the relationship between; design, theory, technology and history. He is currently experimenting with the idea of 'LANGUAGE & TRANSLATION' in **Lesotho's architecture** in relation to the **international world**.
